RecruitFirst signs 2-year extendable contract with Singapore General Hospital

The Board of Directors of HRnetGroup Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) is pleased to announce that its Singapore subsidiary RecruitFirst Pte Ltd (“**RecruitFirst**”), a market leader in flexible staffing services, has successfully secured a two-year contract from 2022 to 2024 (with a further option to extend for another year), for the recruitment of administrative and ancillary positions for Singapore General Hospital (“SGH”), a member of the SingHealth Group.

Jacelyn Chua, Group Business Leader of RecruitFirst, commented:

"As Singapore further eases our community and border measures, we look back with gratitude that our healthcare team and contractors have run a good race alongside the public and private healthcare institutions in bringing our country's vaccination coverage to be amongst the highest in the world at 96% of our eligible population. With this new contract with SGH, we will soldier on with our hospitals and healthcare workers as they seek to meet the pent up needs of non-Covid-19 patients."

The above transaction does not have a material impact on the Group.
