

## Business Leader Co-ownership HRnet One Shenzhen

The Board of Directors of HRnetGroup Limited (the **Company** and together with its subsidiaries, the **Group**) is pleased to announce the admission of new Business Leader Co-owner Frances Li in the professional recruitment business of HRnet One (Shenzhen) Limited (**HRSZ**).

Soon after her graduation in 2012, Frances joined HRnetOne Guangzhou in 2011 as a recruitment trainee. Armed with a Bachelor's degree in Pharmaceutical Science from Sun Yet-Sun University in Guangzhou, China, Frances started off with the healthcare space before expanding to the consumer practice. She rose steadily up the rungs to Regional Consultant, achieved promotion to Senior Consultant 2016 and Practice Leader in 2018.

In 2021, when the Group started up HRSZ, Frances moved to Shenzhen to build business at the Greater Bay Area. In April 2022, Frances was promoted to Business Leader responsible for leading a team of 5 consultants in helping clients on executive search for senior and niche talents. Frances has gladly taken up the invitation to become a Co-Owner of HRSZ alongside Madeline Wan and Maverick Tan, personally investing in this business unit.

While this transaction has no material impact on the Group now, we believe that her passion for recruitment will continue to take HRSZ to greater heights.
