

## HRnetGroup wins Business Eminence Awards 2022 Singapore

The Board of Directors of HRnetGroup Limited (the **Company** and together with its subsidiaries, the **Group**) is pleased to announce that the Company has been awarded the following:

The Dun & Bradstreet Singapore Business Eminence Awards (**BEA**) is an initiative by Dun & Bradstreet Singapore (**D&B**) to celebrate the nation's vibrant tradition of entrepreneurship. The primary focus of the award is on profitability, with D&B applying its proprietary financial model to measure business performance and also track business excellence in key areas such as corporate social responsibility and corporate governance. This year in particular, BEA scrutinised and hand-picked winners who have thrived and performed well during the challenging times of the pandemic.

*"We are pleased that more people are sharing our focus on fundamentals – that businesses which add value to society are profitable ones, that jobs are a core necessity for any community. We will always work towards doing better."*
