

## Business Leader Co-ownership RecruitFirst Staffing Malaysia

The Board of Directors of HRnetGroup Limited (the **Company** and together with its subsidiaries, the **Group**) is pleased to announce the admission of new Business Leader Co-owner Mok Jing Ru in the flexible staffing business of RecruitFirst Staffing Sdn Bhd.

Mok graduated with a bachelor's degree in psychology from Tunku Abdul Rahman University College, Malaysia under a dual program with Sheffield Hallam, UK. In 2017, she joined our HRnetOne office in Kuala Lumpur as a management associate consultant. In 2019, when we set up our RecruitFirst Staffing office in Kuala Lumpur, Mok readily seized the opportunity to be a pioneer alongside Co-owner and Business Leader Daniel Choong who then mentored her to accelerate her career progression. Mok went on to clinch many awards for her excellent sales achievement, not just exceeding her individual sales targets but also in leading her team in exceeding team sales targets under very challenging market conditions in 2021.

As such, the succession plan is well in place for Daniel to move on to a corporate role as Director responsible for the Group's M&A in South East Asia; business development in Malaysia; and regional payroll business in Singapore, Hong Kong and Malaysia from 1 July 2023.
